

SETTING UP A CONFERENCE CALL

When you are ready to set up your audio conference, follow these simple steps:

1. If this is your first CenturyLink® Ready-Access conference, familiarize yourself with the controls and capabilities of the standard Ready-Access conference commands (see below).
2. Inform all participants of the date and time of the conference.
3. Give all participants your Ready-Access phone number and access code.
4. When it is time for your conference, dial in on the Ready-Access phone number, enter your access code, then listen to the prompts to enter your chairperson passcode to begin the conference.
5. Conference participants dial the Ready-Access phone number at the designated time, enter the access code, and the conference is underway.
